5.4. Specific assumed prior knowledge and skills (where applicable)

Not applicable

6. How am I going to be assessed?

6.1. Grading Scale

Limited Grading (PNP)

Pass (PU), Fail (UF). All assessment tasks are required to be passed for successful completion of the course.

6.2. Details of early feedback on progress

The format for each day will include briefing and de-briefing sessions which will include the opportunity for self-reflection and feedback from the Practice Educator. The role of the Practice Educator during the set learning activities throughout each day will be to provide on-the-spot formative feedback (written and/or verbal), and to schedule feedback sessions with individual and/or groups across the week. All students will participate in at least one formative feedback session with the Practice Educator. Students will be provided with templates for self-assessment and peer assessment to support skill and knowledge development. Students will participate in a simulated supervision session that will provide individual feedback.

6.3. Assessment tasks

DELIVERY MODE	TASK NO.	ASSESSMENT PRODUCT	INDIVIDUAL OR GROUP	WHAT IS THE DURATION / LENGTH?	WHEN SHOULD I SUBMIT?	WHERE SHOULD I SUBMIT IT?
All	1	Code of Conduct	Individual	From enrolment in the course to completion of all required placement learning activities as they relate to the specific placement (includes pre-placement learning activities, placement, and post-placement completion of learning activities).	Refer to Format	SONIA
All	2	Placement performance	Individual	Breakdown of hours 4 hours briefing 4 hours online synchronous learning 18 hours pre-placement self-directed learning 40 hours of placement (5 X 8 hour days) 4 hours of reflective practice 70 hours total	Refer to Format	SONIA
All	3	Plan	Individual	Duration of the placement	Refer to Format	SONIA

All - Assessment Task 1: Code of Conduct

GOAL:	You will understand and adhere to the discipline Code of Conduct throughout course as per standard requirement of UniSC WIL policy.
PRODUCT:	Code of Conduct
FORMAT:	Submit: within timeframe designated on SONIA. Prior to commencement of placement the student will be provided with information regarding the Code of Conduct. The student will review the document and agree to adhere to the standards for the duration of the course, and as they relate to the specific placement. The task requires students to participate in pre-placement learning activities, and to comply with UniSC policy and procedures in order to prepare them for future practice (e.g., Code of Conduct, Occupational Therapy Board of Australia).

CRITERIA:	No.		Learning Outcome assessed
	1	The Course Coordinator or another nominated UniSC staff member will evaluate the standard and quality of student work and make an assessment about adherence to the discipline Code of Conduct.	1

GENERIC SKILLS:	Information literacy

All - Assessment Task 2: Evaluation of Foundational Placement Competencies (EFPC) and Log of Hours

GOAL:	You will understand and demonstrate to a passing level of competence, the foundational placement competencies (as assessed by the EFPC assessment tool) within the designated timeframe, and commensurate with the level of study, in order to prepare for future placement success.
PRODUCT:	Placement performance
FORMAT:	Submission: On completion of simulated placement course. Performance throughout the course will be measured using the Evaluation of Foundational Placement Competencies (EFPC). This assessment tool has been designed by University of Sydney to assess the competencies associated with success on allied health student placement. Assessment by the UniSC practice educator will include the provision of formative assessment feedback throughout the placement and where relevant, may also include feedback from external sources (e.g., Occupational Therapy supervisors) related to performance against the criteria. Completion of placement within the designated timeframe will be evidenced using the Log of Hours template, signed by UniSC practice educator.

CRITERIA:	No.		Learning Outcome assessed
	1	Professional Behaviour, Learner Behaviour, Communication, Information gathering as outlined in the EFPC Submission on SONIA of a log of hours signed by the Practice Educator	1 2 3

7. Directed study hours

A 12-unit course will have total of 150 learning hours which will include directed study hours (including online if required), self-directed learning and completion of assessable tasks. Student workload is calculated at 12.5 learning hours per one unit.

8. What resources do I need to undertake this course?

Please note: Course information, including specific information of recommended readings, learning activities, resources, weekly readings, etc. are available on the course Canvas site– Please log in as soon as possible.

8.1. Prescribed text(s) or course reader

> There are no required/recommended resources for this course.

8.2. Specific requirements

Students should access Canvas and SONIA for all course requirements. General queries regarding assessment will be addressed via email to the placement coordinator; other issues can be discussed with your course coordinator via appointment. Current certifications and placement mandatory requirements for this placement can be found in Sonia. Student uniform and ID badge (unless otherwise advised); proof of required vaccinations; additional site-specific requirements as relevant e.g., SCHHS Student Information Form, Qld Health requirements; travel and other expenses incurred on placement will be the student's responsibility unless otherwise advised.
There is minimal health and safety risk in this course because you will be provided with a Workplace Health and Safety Orientation within the first week of your placement. It is your responsibility to request this if it is not provided and to ensure you orientate yourself to WH&S policies and procedures applicable to the placement setting. Students are required to disclose any health, disability or other concerns that may impact performance on placement and/or contribute to risk, through completion of the Student Placement Agreement: Placement Disclosure Statement, and Ongoing Disclosure form if required.

9. How are risks managed in this course?

Risk assessments have been performed for all field activities and low to moderate levels of health and safety risk exists. Moderate risks may include working in an Australian bush setting, working with people, working outside normal office hours for example. It is your responsibility to review course material, search online, discuss with lecturers and peers and understand the health and safety risks associated with your specific course of study and to familiarise yourself with the University's general health and safety principles by reviewing the online induction training for students, and following the instructions of the University staff.

10. What administrative information is relevant to this course?

10.1. Assessment: Academic Integrity

Academic integrity is the ethical standard of university participation. It ensures that students graduate as a result of proving they are competent in their discipline. This is integral in maintaining the value of academic qualifications. Each industry has expectations and standards of the skills and knowledge within that discipline and these are reflected in assessment.

Academic integrity means that you do not engage in any activity that is considered to be academic fraud; including plagiarism, collusion or outsourcing any part of any assessment item to any other person. You are expected to be honest and ethical by completing all work yourself and indicating in your work which ideas and information were developed by you and which were taken from others. You cannot provide your assessment work to others. You are also expected to provide evidence of wide and critical reading, usually by using appropriate academic references.

In order to minimise incidents of academic fraud, this course may require that some of its assessment tasks, when submitted to Canvas, are electronically checked through Turnitin. This software allows for text comparisons to be made between your submitted assessment item and all other work to which Turnitin has access.

10.2. Assessment: Additional Requirements

This course will be graded as Pass in a Limited Grade Course (PU) or Fail in a Limited Grade Course (UF) as per clause 5.1.1.3 and 5.1.1.4 of the Grades and Grade Point Average (GPA) - Academic Policy.

In a course eligible to use Limited Grades, all assessment items in that course are marked on a Pass/Fail basis and all assessment tasks are required to be passed for a student to successfully complete the course. Supplementary assessment is not available in courses using Limited Grades.

10.3. Assessment: Submission penalties

You must contact your Course Coordinator and provide the required documentation if you require an extension or alternate assessment.

Refer to the Assessment: Courses and Coursework Programs – Procedures.

10.4. SafeUniSC

UniSC is committed to a culture of respect and providing a safe and supportive environment for all members of our community.
