

COURSE OUTLINE

SEC200 Cyber Security

School: School of Science, Technology and Engineering

2025 Trimester 2

UniSC Adelaide

BLENDED LEARNING Most of your course is on campus but you may be able to do some components of this course online.

Please go to usc.edu.au for up to date information on the teaching sessions and campuses where this course is usually offered.

1. What is this course about?

1.1. Description

Securing data and cyber networks remains one of the most important aspects of modern computing. You will explore key cyber and information security theories, tools and practices including the NIST Cybersecurity Framework and how cyber criminals target individuals and businesses, unlawfully seizing data and identities. You will also identify the dark markets where stolen data, identities and Intellectual Property is traded and how international law enforcement agencies operate to locate and prosecute cyber criminals.

1.2. How will this course be delivered?

ACTIVITY	HOURS	BEGINNING WEEK	FREQUENCY
BLENDED LEARNING			
Learning materials – Asynchronous learning material, including videos, articles and review questions	2hrs	Week 1	12 times
Tutorial/Workshop 1 – On campus workshop	2hrs	Week 1	12 times

1.3. Course Topics

- · Cybersecurity,
- · Cyber attacks,
- · Malicious software,
- Cybersecurity governance,
- · Responding to a cybersecurity incident,
- · Cybersecurity challenges of the future

2. What level is this course?

200 Level (Developing)

Building on and expanding the scope of introductory knowledge and skills, developing breadth or depth and applying knowledge and skills in a new context. May require pre-requisites where discipline specific introductory knowledge or skills is necessary. Normally, undertaken in the second or third full-time year of an undergraduate programs.

3. What is the unit value of this course?

12 units

4. How does this course contribute to my learning?

COU	RSE LEARNING OUTCOMES	GRADUATE QUALITIES
Ons	successful completion of this course, you should be able to	Completing these tasks successfully will contribute to you becoming
1	Analyse the digital cybersecurity environment from the attacker's and defender's perspectives.	Knowledgeable
2	Explain the range of technical and human-based threats impacting individuals and organisations, and the controls and policies needed to secure against or mitigate them.	Knowledgeable Empowered
3	Rationalise the human and technical vulnerabilities in cyber and information security to understand human reasoning and prevent further attacks.	Creative and critical thinker
4	Justify cyber security and governance practices to manage key cyber scurity risks to an organisation	Empowered
5	Communicate cyber security principles and applications to a variety of technical and non-technical audiences.	Engaged

5. Am I eligible to enrol in this course?

Refer to the UniSC Glossary of terms for definitions of "pre-requisites, co-requisites and anti-requisites".

5.1. Pre-requisites

SEC100

5.2. Co-requisites

Not applicable

5.3. Anti-requisites

SEC301

5.4. Specific assumed prior knowledge and skills (where applicable)

Not applicable

6. How am I going to be assessed?

6.1. Grading Scale

Standard Grading (GRD)

High Distinction (HD), Distinction (DN), Credit (CR), Pass (PS), Fail (FL).

6.2. Details of early feedback on progress

On-going formative feedback will be provided in workshops throughout the course.

6.3. Assessment tasks

DELIVERY MODE	TASK NO.	ASSESSMENT PRODUCT	INDIVIDUAL OR GROUP	WEIGHTING %	WHAT IS THE DURATION / LENGTH?	WHEN SHOULD I SUBMIT?	WHERE SHOULD I SUBMIT IT?
All	1	Quiz/zes	Individual	30%	1 hour each	Refer to Format	Online Test (Quiz)
All	2	Case Study	Individual	35%	1500 words	Week 8	Online Assignment Submission with plagiarism check
All	3	Case Study	Group	35%	2,500 words equivalent	Week 12	Online Assignment Submission with plagiarism check

All - Assessment Task 1: Weekly Quiz

741 74000001	Herit Task 1. Weekly Quiz					
GOAL:	The goal of this assessment is measure your understanding and comprehension of cybersecurity.					
PRODUCT:	Quiz/zes					
FORMAT:	Students will complete 3 quizzes in weeks 2, 3 and 4					
CRITERIA:	No.	Learning Outcome assessed				
	1 Mastery of Cyber security theory and standards	235				
	2 Understand basic network structures, protocols, ports and services	134				
GENERIC SKILLS:	Communication, Problem solving, Applying technologies, Information literacy					
All - Assessr	nent Task 2: Cybersecurity Case 1					
GOAL:	This task will enable the student to illustrate and articulate cybersecurity strategies and methodologies for a given case scenario.					
PRODUCT:	Case Study					
FORMAT:	Written report, submitted online					
CRITERIA:	No.	Learning Outcome assessed				
	1 Identification and explanation of a range of technical and social engineering methodologies	02				
	2 Identification and rationalisation of the human and technical vulnerabilities exploited in cybercrime	3				
	3 Communication of investigation results	5				
	4 Collaborate and coordinate as a group to identify and present network vulnerabilities and potential attack methodologies to exploit those vulnerabilities.	125				
GENERIC SKILLS:	Communication, Collaboration, Problem solving, Organisation, Applying technologies, Information	literacy				

All - Assessment Task 3: Cybersecurity Case 2

GOAL:	Working as a team, students will collectively develop and deliver a structured plan outlining their approach to managing and resolving the cybersecurity scenario provided.				
PRODUCT:	Case Study				
FORMAT:	Written group report, submitted online				
CRITERIA:		Learning Outcome assessed			
	1 Identification and explanation of a range of technical and social engineering threats, their likelihood and impact on the case study organisation	2345			
	2 Application of control management framework	23			
	3 Development of a business case for senior management	4			
	4 Professional communication	5			
GENERIC SKILLS:	Communication, Collaboration, Problem solving, Organisation, Applying technologies, Information literacy				

7. Directed study hours

A 12-unit course will have total of 150 learning hours which will include directed study hours (including online if required), self-directed learning and completion of assessable tasks. Student workload is calculated at 12.5 learning hours per one unit.

8. What resources do I need to undertake this course?

Please note: Course information, including specific information of recommended readings, learning activities, resources, weekly readings, etc. are available on the course Canvas site—Please log in as soon as possible.

8.1. Prescribed text(s) or course reader

There are no required/recommended resources for this course.

8.2. Specific requirements

This course requires access to computers and specialised software which is provided at UniSC campuses for student use. If you elect to do this course online, you may either; attend a campus at which it is available, discuss alternative solutions with your course coordinator that would enable you to demonstrate the learning outcomes, or if you prefer you may acquire this software (if necessary at your own expense). Some software providers may offer discounted or free academic licensing.

9. How are risks managed in this course?

Health and safety risks for this course have been assessed as low. It is your responsibility to review course material, search online, discuss with lecturers and peers and understand the health and safety risks associated with your specific course of study and to familiarise yourself with the University's general health and safety principles by reviewing the <u>online induction training for students</u>, and following the instructions of the University staff.

10. What administrative information is relevant to this course?

10.1. Assessment: Academic Integrity

Academic integrity is the ethical standard of university participation. It ensures that students graduate as a result of proving they are competent in their discipline. This is integral in maintaining the value of academic qualifications. Each industry has expectations and standards of the skills and knowledge within that discipline and these are reflected in assessment.

Academic integrity means that you do not engage in any activity that is considered to be academic fraud; including plagiarism, collusion or outsourcing any part of any assessment item to any other person. You are expected to be honest and ethical by completing all work yourself and indicating in your work which ideas and information were developed by you and which were taken from others. You cannot provide your assessment work to others. You are also expected to provide evidence of wide and critical reading, usually by using appropriate academic references.

In order to minimise incidents of academic fraud, this course may require that some of its assessment tasks, when submitted to Canvas, are electronically checked through Turnitin. This software allows for text comparisons to be made between your submitted assessment item and all other work to which Turnitin has access.

10.2. Assessment: Additional Requirements

Eligibility for Supplementary Assessment

Your eligibility for supplementary assessment in a course is dependent of the following conditions applying:

- (a) The final mark is in the percentage range 47% to 49.4%; and
- (b) The course is graded using the Standard Grading scale

10.3. Assessment: Submission penalties

Late submissions may be penalised up to and including the following maximum percentage of the assessment task's identified value, with weekdays and weekends included in the calculation of days late:

- (a) One day: deduct 5%;
- (b) Two days: deduct 10%;
- (c) Three days: deduct 20%;
- (d) Four days: deduct 40%;
- (e) Five days: deduct 60%;
- (f) Six days: deduct 80%;
- (g) Seven days: A result of zero is awarded for the assessment task.

The following penalties will apply for a late submission for an online examination:

Less than 15 minutes: No penalty

From 15 minutes to 30 minutes: 20% penalty More than 30 minutes: 100% penalty

10.4. SafeUniSC

UniSC is committed to a culture of respect and providing a safe and supportive environment for all members of our community. For immediate assistance on campus contact SafeUniSC by phone: <u>07 5430 1168</u> or using the <u>SafeZone</u> app. For general enquires contact the SafeUniSC team by phone 07 5456 3864 or email safe@usc.edu.au.

The SafeUniSC Specialist Service is a Student Wellbeing service that provides free and confidential support to students who may have experienced or observed behaviour that could cause fear, offence or trauma. To contact the service call 07 5430 1226 or email studentwellbeing@usc.edu.au.

10.5. Study help

For help with course-specific advice, for example what information to include in your assessment, you should first contact your tutor, then your course coordinator, if needed.

If you require additional assistance, the Learning Advisers are trained professionals who are ready to help you develop a wide range of academic skills. Visit the Learning Advisers web page for more information, or contact Student Central for further assistance: +61 7 5430 2890 or studentcentral@usc.edu.au.

10.6. Wellbeing Services

Student Wellbeing provide free and confidential counselling on a wide range of personal, academic, social and psychological matters, to foster positive mental health and wellbeing for your academic success.

To book a confidential appointment go to Student Hub, email studentwellbeing@usc.edu.au or call 07 5430 1226.

10.7. AccessAbility Services

Ability Advisers ensure equal access to all aspects of university life. If your studies are affected by a disability, learning disorder mental health issue, injury or illness, or you are a primary carer for someone with a disability or who is considered frail and aged, AccessAbility Services can provide access to appropriate reasonable adjustments and practical advice about the support and facilities available to you throughout the University.

To book a confidential appointment go to Student Hub, email AccessAbility@usc.edu.au or call 07 5430 2890.

10.8. Links to relevant University policy and procedures

For more information on Academic Learning & Teaching categories including:

- Assessment: Courses and Coursework Programs
- Review of Assessment and Final Grades
- Supplementary Assessment
- Central Examinations
- Deferred Examinations
- Student Conduct
- · Students with a Disability

For more information, visit https://www.usc.edu.au/explore/policies-and-procedures#academic-learning-and-teaching.

10.9. Student Charter

UniSC is committed to excellence in teaching, research and engagement in an environment that is inclusive, inspiring, safe and respectful. The <u>Student Charter</u> sets out what students can expect from the University, and what in turn is expected of students, to achieve these outcomes.

10.10.General Enquiries

In person:

- UniSC Sunshine Coast Student Central, Ground Floor, Building C, 90 Sippy Downs Drive, Sippy Downs
- o UniSC Moreton Bay Service Centre, Ground Floor, Foundation Building, Gympie Road, Petrie
- o UniSC SouthBank Student Central, Building A4 (SW1), 52 Merivale Street, South Brisbane
- o UniSC Gympie Student Central, 71 Cartwright Road, Gympie
- · UniSC Fraser Coast Student Central, Student Central, Building A, 161 Old Maryborough Rd, Hervey Bay
- UniSC Caboolture Student Central, Level 1 Building J, Cnr Manley and Tallon Street, Caboolture
