- (1) Expression of Interest form (due 8 weeks prior to the start of Semester or Sessions). Please note, your placement cannot start until UniSC has completed a Placement Partnership Agreement with your host.

For more information about workplace learning please see: <https://www.usc.edu.au/current-students/work-integrated-learning-wil/workplace-learning-placement>

Question regarding placements should be emailed to the course co-ordinator at: [SSTE\\_WPL@usc.edu.au](mailto:SSTE_WPL@usc.edu.au)

Questions regarding Sonia Online can be sent to Technical Operations - Work Integrated Learning: [TechOpsWil@usc.edu.au](mailto:TechOpsWil@usc.edu.au)

Each placement has inherent requirements that may be specified by the host organisation and/or UniSC to enable you to undertake placement. Please check with your host supervisor or course coordinator prior to placement commencement. Requirements may include but are not restricted to: construction card, PPE, criminal history check, Hepatitis B vaccination, CPR, current first aid certificate, Blue Card, and UniSC risk assessment (e.g., for international placements).

Working with children check:

If you are required by your host organisation to have a current Blue Card please apply for a Blue Card with the Queensland Commission for Children and Young People and Child Guardian via [TechOpsWil@usc.edu.au](mailto:TechOpsWil@usc.edu.au). Receipt of a Blue card indicates that you have passed a working with children check in the state of Queensland, and are eligible to be allocated to placements that involve working with children. You are encouraged to apply for Blue Cards early in the semester preceding the placement so that you are in receipt of your Blue Card prior to the placement

Evidence of immunisation:

If you are required to be immunised for your placement you will need to provide evidence of immunisation (or conscientious objection to vaccination) to Hepatitis B or other required vaccinations. Students holding current evidence of immunisation do not need to be vaccinated again. If you need additional vaccinations, you are encouraged to commence inoculation processes as early as possible to allow sufficient time to complete all vaccinations in a course. For example, the entire Hepatitis B schedule takes 3 months to complete.

Because some placements will request additional vaccinations, students are recommended to provide evidence of immunisation status for vaccinations in the current Australian immunisation schedule. Students seeking placements in health care settings (now or future) are recommended to comply with the organisation's vaccination schedule. Queensland Health reserves the right to refuse entry to placement sites to students with incomplete immunisation status or records.

## 9. How are risks managed in this course?

Risk assessments have been performed for all field activities and low to moderate levels of health and safety risk exists. Moderate risks may include working in an Australian bush setting, working with people, working outside normal office hours for example. It is your responsibility to review course material, search online, discuss with lecturers and peers and understand the health and safety risks associated with your specific course of study and to familiarise yourself with the University's general health and safety principles by reviewing the [online induction training for students](#), and following the instructions of the University staff.

## 10. What administrative information is relevant to this course?

### 10.1. Assessment: Academic Integrity

Academic integrity is the ethical standard of university participation. It ensures that students graduate as a result of proving they are competent in their discipline. This is integral in maintaining the value of academic qualifications. Each industry has expectations and standards of the skills and knowledge within that discipline and these are reflected in assessment.

Academic integrity means that you do not engage in any activity that is considered to be academic fraud; including plagiarism, collusion or outsourcing any part of any assessment item to any other person. You are expected to be honest and ethical by completing all work yourself and indicating in your work which ideas and information were developed by you and which were taken from others. You cannot provide your assessment work to others. You are also expected to provide evidence of wide and critical reading, usually by using appropriate academic references.

In order to minimise incidents of academic fraud, this course may require that some of its assessment tasks, when submitted to Canvas, are electronically checked through Turnitin. This software allows for text comparisons to be made between your submitted assessment item and all other work to which Turnitin has access.

### 10.2. Assessment: Additional Requirements

Limited Graded Course:

This course will be graded as Pass in a Limited Grade Course (PU) or Fail in a Limited Grade Course (UF) as per clause 4.1.3 and 4.1.4 of the Grades and Grade Point Average (GPA) - Institutional Operating Policy of the USC.

In a course eligible to use Limited Grades, all assessment items in that course are marked on a Pass/Fail basis and all assessment tasks are required to be passed for a student to successfully complete the course. Supplementary assessment is not available in courses using Limited Grades.
